

Phase 3: Plot Checkpoints

A five-phase framework for navigating major financial transitions.

SWIPE →

This is where the actual plan gets built, with milestones set at 30, 90, and 180 days rather than one distant, abstract goal.

Shorter checkpoints make progress visible sooner, and create natural points to adjust when real life doesn't match the projection, which it usually doesn't.

Coordination with your CPA or attorney happens here too, when the situation calls for it, so the plan reflects your whole financial picture.

“This is where the actual plan gets built.”
